If you are having difficulty displaying a collection such as Probate we will suggest one of these three actions:

1. Do try to update your **Adobe Acrobat Reader**. Launch Acrobat Reader go to drop down **menu Help → Check for Updates**

2. Download Free Copy of **Adobe Acrobat Viewer** at

<http://get.adobe.com/reader/>

3. We have also found that using the Mozilla FireFox browser over Microsoft IE has proven more reliable. A free download of FireFox can be found at:

<http://www.mozilla.org/en-US/firefox/new/>
